

Let's Get Growing! Join the PTA!

Dear LES Families and Friends,

Are you ready to help us "GROW THE LISBON PRIDE?" Join the PTA - TODAY!

Now is your chance to support the wonderful students and staff at our school and take *pride* in Lisbon Elementary School! By joining the PTA you are not only becoming part of the LES community but you are part of a collective voice in the county that affords our students with greater lobbying power on key issues. Even more significant is the direct impact your membership dues and fundraising efforts provide to our children's educational opportunities.

Because of the LES PTA, many incentive programs are done throughout the year including outstanding cultural arts programs; wide varieties of after school activities; parent education series; and many, many more wonderful happenings! Also, let's not forget that each grade level and teacher will receive additional assistance to purchase much needed materials for the classrooms! All of this because of your support of the Lisbon PTA! Won't you please join us?
